### Sustainable Environment Enhancement Developments (SEEDS)

As part of a continuing commitment to support and expand the number of outdoor learning spaces at LAUSD schools, the Board of Education approved the \$5 Million SEEDS Program in June 2013.

SEEDS provides bond funding to help create or improve school outdoor learning spaces that address sustainability, community building, campus enhancement, student and community health and support the District's school curriculum.

**Desarrollo de Mejoras Sostenibles para el Medio Ambiente**  
**(SEEDS, por sus siglas en inglés)**

Como parte del compromiso de apoyar y ampliar el número de espacios de aprendizaje al aire libre en las escuelas del LAUSD, la Junta de Educación aprobó 5 millones de dólares para el Programa de SEEDS en Junio de 2013.

SEEDS proporciona la financiación a través de bonos para ayudar a crear o mejorar los espacios de aprendizaje al aire libre tomando en cuenta la sostenibilidad, el mejoramiento de la comunidad, mejoras al plantel, estudiantes y salud de la comunidad y brindado apoyo al plan de estudios del Distrito.
